

It's that time of year! We are looking for nominations for next year's Executive Board. If you would like to become more involved with our school's PTA, please consider nominating yourself or someone you know to the Executive Board. If you are nominating someone else, please make sure you have their permission.

The Nominating committee for the selection of officers for the 2021-2022 school year will be formed at our March PTA general meeting. The committee has the responsibility of recommending to our current members the slate of officers for the next year's Executive Board. The slate will be presented and voted on at our April 13th general meeting. A description of each Executive Board position and it's duties can be found on our website at: <http://www.eastcoventrypta.com/newboard.html>

If you are a current EC PTA member and you are interested in being considered by the Nomination Committee for a position, or wish to nominate another current PTA member for consideration, please fill out the form below. Please understand that the completion of this form does not guarantee a position. You may mark your interest in more than one position. All positions are open for consideration.

Please return this form in a sealed envelope marked "EC PTA - Attn.: Nominating Committee" with your student to school or place it in the School Office no later than Monday April 13, 2021.

At the April EC PTA general meeting the nominations for the new board prospects will be presented and anyone on the floor that may be interested can verbally announce that they want to run. At the May EC PTA general meeting the voting of the new board positions will take place. New members will be announced officially, and sworn in at the June EC PTA general meeting.
